

Governor Profile

Name	Joanne Stacey
Category of Governor	School Governor
Term of Office	26.6.17 to 25.6.21
What you do for a job and what it involves?	I am currently the Assistant Headteacher for Key Stage 2 at Marjory Kinnon school. I support the Department in areas such as curriculum, behaviour management, mentoring new staff and department organisation. I am also the Science Lead and Math's Mastery Lead for Primary and teach both of those subjects in some classes across Upper Primary.
Governance Experience	I have been a Governor at MKS since 2017. As a Governor I am part of the Teaching and Learning Committee along with the Child, Family & Community Committee.
Hobbies & Interests?	I am a huge rugby fan and have a season ticket for Harlequin Rugby club. I also love horse riding and whenever I can, I enjoy going riding.
Links to the School or the area?	I have worked in schools in the London Borough of Hounslow for 18 years and have been teaching at MKS since 2013.
Why did you become a Governor?	I have a son who has ASD and I understand the demands, pressures and joys they can bring. As a parent of an ASD child I am passionate about SEN children and their development. I strongly believe that every child should be given the best learning environment to help them grow and develop both academically and as an independent, confident adults, ready for the next stage in their lives. It is a great honour as a Governor at MKS to witness my aspirations for our pupils coming to fruition.
