

Cyber bullying workshop

On Weds 13th March we held a 'Cyber bullying' workshop for parents. This well intended event was designed to:

- Increase parents understanding of cyberbullying
- Guide parents through practical strategies so they can prevent cyberbullying
- Help parents develop their knowledge on how to support their children
- Give parents the opportunity to meet with experienced staff
- Give parents the opportunity to meet with other parents who have had similar experiences and to gain support and learn from each other

Please find attached/linked the presentation and the guidance from West Mercia police.
