

Governor Profile

PHOTO

Name Zaki Moosa	
Category of Governor	Co-opted Governor
Term of Office	26-11-25 to 25-11-29
What you do for a job and what it involves?	I've been a civil servant across different departments for the past 13 years and did the NHS Graduate Scheme before that.
Governance Experience	I've been a school governor for around 10 years - first in Peckham and Shoreditch, and then in Oxford/Reading where I was Chair of Governors at two primary schools. I've been SEND link governor and Safeguarding link governor.
Hobbies & Interests?	I play ultimate frisbee for Hounslow and Twickenham's finest (and only) ultimate team, Slipped Discs.
Links to the School or the area?	I've recently moved to Brentford and was keen to get re-involved in school governing in the borough.
Why did you become a Governor?	Being a governor is one of the best volunteering opportunities I've done. Playing a small part in children's education is very rewarding, and supporting school leadership in setting the strategy and direction of a good school is also a fascinating development opportunity that has taught me a lot.
