Summer 2 - 2018/19

## Early Years News

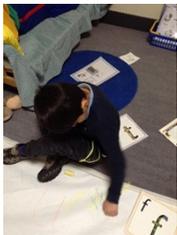

This term in Grasshopper Class we have been enjoying stories linked to our topic "Under the sea".

One of our favourite story was "Hooray for fish." We looked at the different types of fish from the story and then used our phonic sounds to read the names and matched them to the correct types of fish.

We have also been practising our writing skills linking sounds to letters and attempting to write sounds we can hear in simple words.

We wrote labels for the different fish from the story "Hooray for fish."

"F for fish."

"P for puffer fish."

"Zig-zag fish."

"Fat fish."

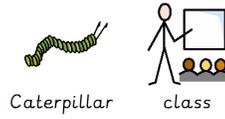

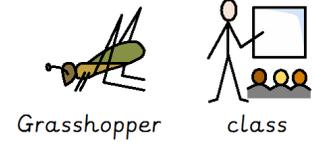

Bumblebee Class have been learning all about numbers this half term. We have been learning to put numbers in order and have been using this skill to work out 'one more' and 'one less' than a given number. We have also been learning to count objects and match the number to a quantity.

Summer has arrived and in Butterfly Class we have been learning all about the seaside. We have been exploring different sea animals and shells. We also had a good time learning all about pirates. We made our treasure maps and went on a treasure hunt. We had fun having an ice cream shop in the class. Rainbow Fish was our favourite book of the term and we learned about sharing with friends and how to be kind to each other. We had an amazing time learning and exploring our new topic!

Caterpillar class have been exploring sea creatures that we might find at the seaside and creating our favourite creatures during expressive arts'. COEL - 'We found lots of sea creatures in frozen ice, we worked together and found ways to release the creatures from the ice using different tools and sharing our own ideas'.

We all had lots of fun taking part in our first school sports' day!

We all enjoyed the different activities and showing off our physical skills to our Mummies and Daddies!

Thank you to everyone who came to support us on the day!

The Early Years team would like to extend a big thank you to all of you parents and carers for your support throughout the year.

It has been a pleasure to work with the children and watch them grow and develop. We wish them every success in their new classes.

Have a lovely summer holiday!

The Early Years Team
