Governance Experience	I have only had experience of governance in Marjory Kinnon School. Whilst here I have been involved in the Resources Committee, Headteacher Appraisal, and currently chair the Teaching & Learning committee.

<p>Hobbies &amp; Interests?</p>	<p>I have a particular interest in literacy: I am a Trustee and a Past President of the United Kingdom Literacy Association (UKLA) (2014 to date). I sit on the Executive Committee and the National Committee as well as the Conference Committee.</p> <p>I was President of UKLA (2011-2014) and a member of the DFE English Expert Group (2012- 2015).</p>
<p>Links to the School or the area?</p>	<p>I live in the nearby borough of Richmond Upon Thames. I have no particular links to the school or the area.</p>
<p>Why did you become a Governor?</p>	<p>I became a school governor because I have a passionate interest in children's education, teacher education and schools. Throughout my career in primary schools and Initial Teacher Education I have demonstrated effective managerial skills and ability to lead and motivate staff, work in a team to manage budgets and ensure fair and efficient allocation of financial, human and physical resources, and to drive quality enhancement through effective performance management. I felt that my experience and the particular skills I developed over time would be relevant to the role of governor.</p> <p>Throughout my career I believe that I showed a commitment to developing and delivering on teaching and learning strategies to ensure improvement of pupil and student experience across the schools/departments in which I worked. I believe that every child or adult should be supported to achieve the best that they can. I am committed to inclusive practice and equal opportunities and have a sound understanding of issues surrounding its practical application. My role as governor enables me to use my skills, contribute to the school and community and pursue my passion for education.</p>
