Spring 2025

MESSAGE TO PARENTS

Ms T Meredith, Headteacher

Marjory Kinnon is now officially a school for autism, and this has brought some changes for both staff and pupils. As we settle into this new phase, we want to make sure we're working closely with families to support our children and young people as best we can.

I'm planning to hold a meeting for parents in the summer term about behaviour in SEND schools. More details will be sent out soon – we look forward to seeing you there.

WE LOVE PLAYTIME!

Primary Playground Upgrades

Our youngest pupils are enjoying the newly developed play areas that include outdoor classroom space, three new sandpits, pergola covered areas, new basketball hoops, outdoor musical instruments, and more room to play.

MEALTIMES MADE BETTER

Updated Menu and Improvements

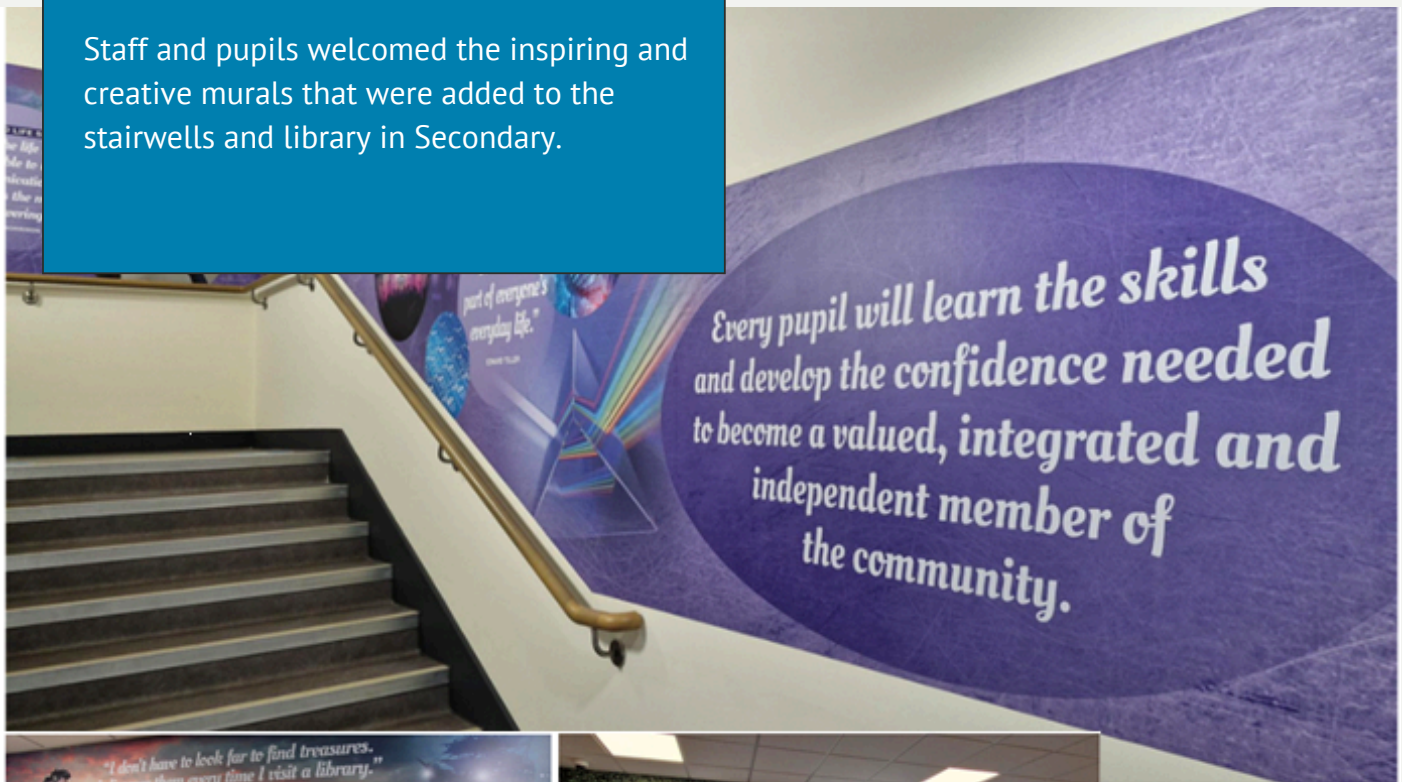

We know how important a good, healthy lunch is for our students. Children are enjoying the improvements, including the new coconut chicken curry, cheese on the salad bar, having pasta or jacket potato options each day, and the tastier tomato sauce.

NEW SCHOOL MURALS

Beautiful Spaces at School

Staff and pupils welcomed the inspiring and creative murals that were added to the stairwells and library in Secondary.

Sport at MKS

NEW AGE KURLING

MKS Takes 1st Place!

Year 3 & 4 students competed in the New Age Kurling Competition held at Bolder Academy School in February.

The team took the top spot and move on to the London Youth Games. Congratulations!

FOOTBALL FINALS

Secondary Boys Football Team

Congratulations to our MKS Boys Football team who are off to the SEN Football Finals at Rectory Park in Northolt after the Easter break.

Special Days

WORLD BOOK DAY

We had a wonderful day celebrating the joy of books at Marjory Kinnon. Special kudos to our Therapy team who dressed up with an Alice in Wonderland theme.

BRITISH SCIENCE WEEK

With this year's theme of Change and Adaptation, students enjoyed science activities throughout the school. Zoo Lab visited with their animals and this class was camouflaged to blend in with a lizard. Can you spot the lizard in the photo?

INTERNATIONAL MATHEMATICS DAY

With special Maths hats in Primary and Secondary students creating their own board games, the children enjoyed a brilliant day of fun Maths activities across the school.
