Dhani – Manatee Class

Time trials! – Fine motor skills for writing

Family comment:

Dhani enjoyed clipping pegs onto paper. He was able to clip 13.

Millie – Rhino Class

I don't like - Co-ordination using And/Or/ But

Family comment:

Millie took a little while to grasp keeping things within categories, for example going out to places, food and activities. We didn't manage funny ones but we did get some examples.

Child comment:

I like going to the pet shop and I like going to the beach but I don't like going to the dentists. I like fruit and I like eggs but I don't like onions. I like having baths and I like playing in the garden but I don't like loud noises.

Idrees – Elephant Class

Marking Punctuation - Punctuation

Family comment:

We enjoyed this very much! Very engaging for Idrees and good for him to learn these marks.

Child comment:

I had fun in the flour making full stops, question marks and exclamation marks.

Aaditya – LS3

Put it in Order – Dictionary skills

Family comment:

Aaditya did enjoy working on this exercise by working our categories, then sorting them in alphabetical order.

Child comment:

It was easy.

Chris – Lion Class

The Alphabet Song – The Alphabet

Family comment:

Chris found it ok when he wanted to do it. He loved singing it.

Ayaan – Rhino Class

I don't like - Co-ordination using And/Or/ But

Family comment:

Ayaan liked to make simple sentences and it was hard for him to make challenging sentences. He made "I like mirrors and cupboards but I don't like mirrors on cupboards."

Child comment:

I enjoyed making funny and challenging sentences.
