MARJORY KINNON SCHOOL
Issue 3 / 28th May 2021

Learning Maths has never been so much fun!
Shout out to our Marvellous Mathematicians
and their Superstar Parents!

Dharam - Tapir Class

"Stop watch" game - Time

Family comment:

Dharam enjoyed running in the living room. Then I said stop, after 3 mins.

Child comment:

I enjoyed the movement.

Omar - Zebra Class

"Tick tock" game - Understanding the 24 hour clock

Family comment:

Omar was enjoying telling me what time it is. And he told me the answers correctly.

Child comment:

I had a lot of fun doing this task, telling mum what time is it.

Muhammad - Tiger class

"What's in the bag?" game - Properties of Shape

Family comment:

He knew what things to go first, he left the eggs and the bananas to go at the top because they were soft.

Marley - LS2

"Data hunt" game - Tallies, pictograms and bar charts

Child comment:

I enjoyed doing this because I love tallies and I think it's the future of counting.

Yaqub - Elephant Class

"All in order" game - Measuring length topic

Family comment:

Yaqub found this activity fun and knows what length and width are.

Child comment:

Thank you Ms T, I liked this activity.

Joyden - Lion Class

"Snail Story" game - Addition and subtraction

Family comment:

Joyden enjoyed it.

Child comment:

Easy, I liked it.

MATHEMATICS IS, IN ITS WAY,
THE POETRY OF LOGICAL
IDEAS.

-ALBERT EINSTEIN
