

MATHS WITH PARENTS NEWSLETTER

MARJORY KINNON SCHOOL
Issue 1 / 30th April 2021

Learning Maths has never been so much fun!
Shout out to our Marvellous Mathematicians
and their Superstar Parents!

Ishaq - Elephant Class

Family comment:

Ishaq found out that the room is in a rectangle shape.

Child comment:

I liked measuring walls.

Albert - LS2 Class

Family comment:

It was excellent! I was trying to guess the time on the clock that was homemade.

Keiran - LS9 Class

Family comment:

Keiran enjoyed doing this, especially measuring his Pokemon teddies.

Child comment:

I thought this was easy and fun.

Zakaria - Flamingo Class

Family comment:

Zak found the halves and quarters on his own except for 2 shapes, the tricky ones :)

Child comment:

I like this homework.

Rebecca - LS9 Class

Family comment:

Rebecca enjoyed the activity. She did quite well separating the tens and ones.

Child comment:

I found it hard at first but I liked after a few games

Harrison - Elephant Class

Family comment:

Harry used a Lego piece to measure: TV remote, Lego instructions, SKY TV remote, house phone, mobile phone, ruler, Rapunzel doll, toy hammer and a toy piggy.

Child comment:

The remote was 5 Lego pieces, and the pig was less than 2.

GIVE ME A PLACE TO STAND,
AND I WILL MOVE THE EARTH.
- ARCHIMEDES
